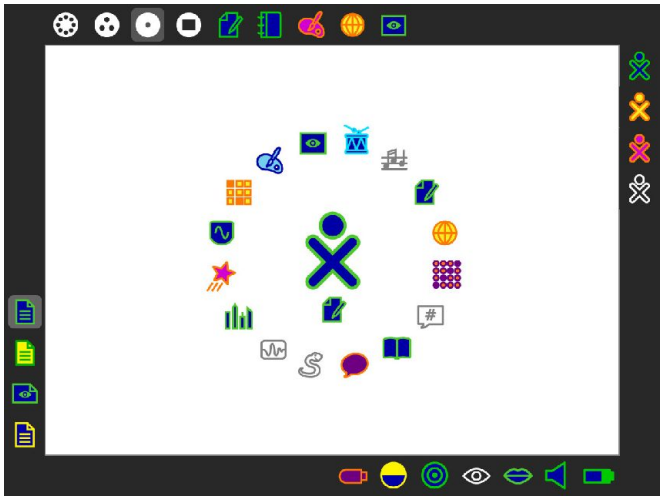
17th June 2009

Principles

- Child ownership
- Low ages
- Saturation
- Connection
- Free and open source software

Implementation



- The XO laptop
  - One of a kind
- Sugar desktop
  - Simplistic but designed to grow with the user
  - Collaboration is a first-class citizen
- Deployments

Ethiopia

- Government project
- 5000 laptops, mostly in Addis Ababa
- 4 days of teacher training
- Not much electricity in classrooms
- Laptop software in English
- 1 textbook per class
- Monitoring & evaluation system
- Akili interactive textbook software

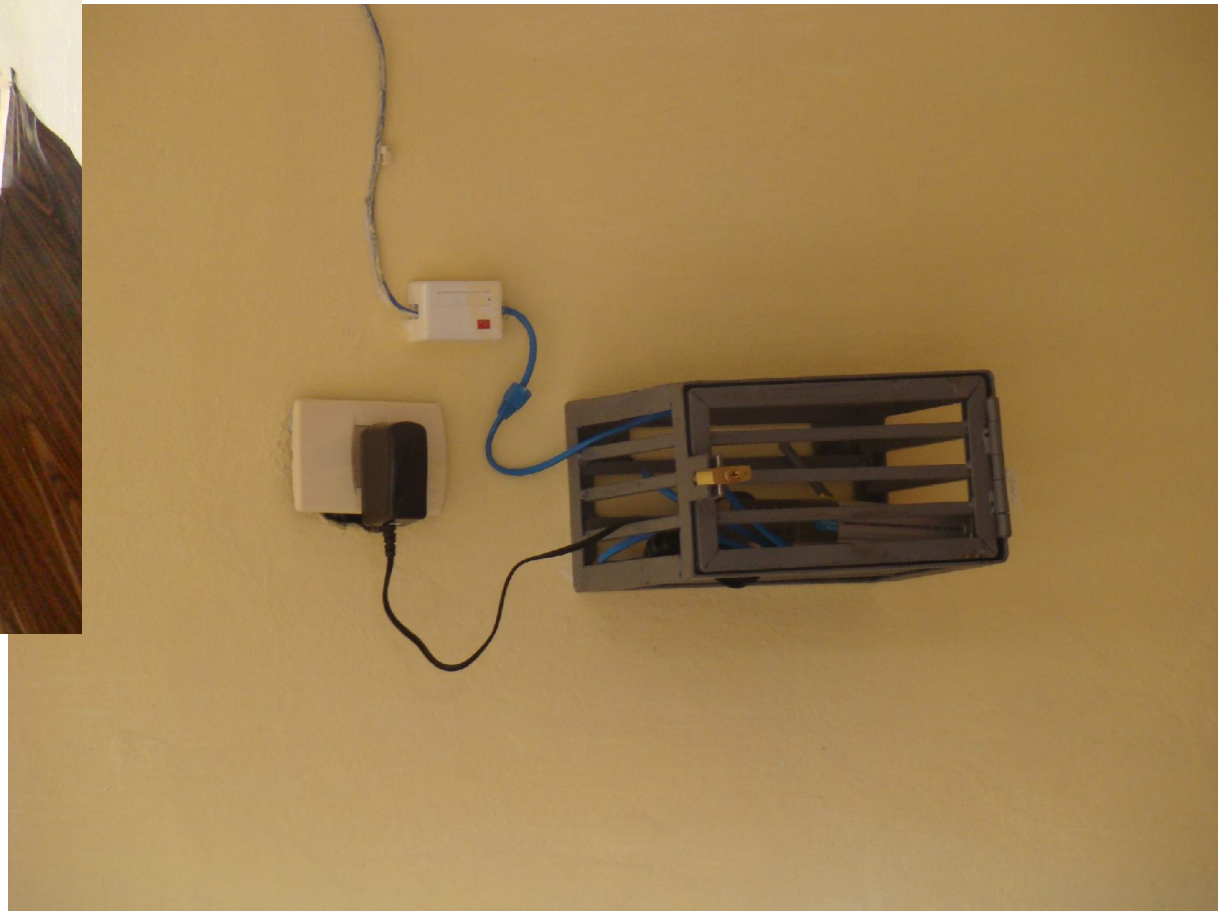
Gracias...



UK project

- Plan for the classrooms first
- Make parents feel part of the project
  - And partially responsible
- Be careful with expectations
- Be open
- Publicity is good
